September 21-25

DjangoCon Europe is run by the community for the community:
This is the 14th edition of the Conference and it is organized by a team made up of Django practitioners from all levels. We welcome people from all over the world.

Our conference seeks to educate and develop new skills, best practices and ideas for the benefit of attendees, developers, speakers and everyone in our global Django Community, not least those watching the talks online.

The conference will take place in Porto and consists of 3 days of talks, followed by 2 day of sprints.

Join us on September 21st-25th.

Few cities on the Iberian Peninsula have as colorful history as Porto, the second-biggest city in Portugal and one of Europe's oldest urban centers.

Known throughout the world for its famous port wine, this enchanting city along the Douro River began life as a Roman outpost.

Home to explorers and rebels, Porto is one of those cities made for a good story.
